Conference Schedule

Abstract Submission Deadline	September 07, 2016
Abstract Acceptance	September 10, 2016
Full Paper Submission Deadline	September 24, 2016
Full Paper Acceptance	September 30, 2016
Conference date	November 01-03, 2016

4th International Conference on Energy, Environment and Sustainable Development

November 01-03, 2016

<http://eesd.muet.edu.pk>

Venue:

Main Auditorium, MUET, Jamshoro

Organized By:

Energy & Environmental Engineering Research
Group (EEERG)

Department of Mechanical Engineering,
Department of Electrical Engineering

Mehran University of Engineering and
Technology, Jamshoro, PAKISTAN

In Collaboration With:

EESD '2016

Energy and Environmental Engineering Research Group (EEERG) of Mehran University of Engineering and Technology (MUET) is organizing 4th International Conference on Energy, Environment and Sustainable Development (EESD) to be held from Nov. 01- 03, 2016.

The conference aims at providing a platform for researchers, engineers, scientists and academicians as well as industrial professionals from all over the world to present their research contribution and development activities in the energy sector. EESD'16 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

The EESD'16 conference offers a track of quality R&D updates from key experts and provides an opportunity in bringing in the new and novel techniques and possibilities that will contribute to Energy, Environment and Sustainable Development in future. EESD'16 conference is tailored for everyone to meet face-to-face and discuss a wide spectrum of recent research trends and developments in the emerging technologies in the market whilst keeping in mind the industrial objective of sustainable development growth for Asia.

Guest speakers representing various countries and inter-governmental organizations, practicing consultants, commercial catalysts from the region will speak on a range of topical issues of Energy and Environment and future prospects. All accepted conference papers orally presented following registration shall be published in conference proceedings.

The scope of the Conference will continue to successfully cover the following main themes: Energy Conversion & Storage, Energy Transmission, Distribution & Utilization, Renewable & Emerging Technologies, Biomass Resource Utilization, Hydrogen & Fuel Cells, Energy Conservation & Management, Energy Policies & Planning, Environmental Challenges, Sustainable Development, and Smart and Sustainable Cities.

The extended version of selected papers shall be

considered for publication in the following journals;

1. Mehran University Research Journal of Engineering and Technology (HEC Recognized X-category Journal)
2. International Journal of Hydrogen Energy (IJHE) (Elsevier - JCR Impact Factor 3.313)
3. Progress in Industrial Ecology: an International Journal, from Inderscience Publishers
4. Energy & Environment - Sage Publications

VENUE of EESD '2016

The venue of the conference is the Mehran University Auditorium at Mehran University of Engineering and Technology, Jamshoro, Pakistan.

Jamshoro is located in the southern part of Pakistan. It is 165 km from Karachi, the largest city of Pakistan. It is only 12 km from Hyderabad, the 5th largest city of Pakistan. Jamshoro is the corridor of higher education institutions in Pakistan. There are four institutions of higher education & learning at Jamshoro, namely Mehran University of Engineering and Technology, University of Sindh, Liaquat University of Medical and health Sciences and Center of Excellence in Arts and Design.

Jamshoro can be reached by train and bus from any part of Pakistan. Most of the international airlines have destination to Quaid -e- Azam International Airport, Karachi, only 02 hour away (by road from Jamshoro).

There are many recreational and historical places surrounding Jamshoro. The Sindhiology Museum, Sindh Museum, Keenjar lake, Manchar Lake, Haleji lake, The Shrines of Sufi's Lal Shahbaz Qalandar and Shah Abdul Latif Bhitai, Rani kot castle, Bhambhore are the places worth to visit.

ACCOMMODATION

There is wide variety of hotel and guest house accommodation available in Hyderabad at 15 minutes drive from Jamshoro. Accommodation may be arranged on written request from the delegates.
