Energy and Environmental Research Group (EERG) of Mehran University of Engineering and Technology (MUET) is organizing Third International Conference on Energy, Environment and Sustainable Development (EESD) to be held on Oct 22-24, 2014. The conference aims to provide a platform for researchers, engineers, scientist and academicians as well as industrial professionals from all over the world to present their research contribution and development activities. EESD’14 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

The EESD’14 conference offers a track of quality R&D updates from key experts and provides an opportunity in bringing in the new techniques and possibilities that will contribute to Energy, Environment and Sustainable Development in the next few years. EESD’14 conference is tailored to everyone to meet face-to-face and discuss a wide spectrum of recent research trends and developments in the emerging technologies in market, whilst keeping in mind the industrial objective of sustainable development growth for Asia. More than 30 eminent guest speakers representing various countries and inter-governmental organizations, practicing consultants, commercial catalysts from the region will speak on a range of topical issues of Energy and Environment and future prospects.

Conference Topics:

Conference Website:
http://eesd.muet.edu.pk/

Registration:
Registration can be made by filling up the registration form provided on the conference website.
Call for Submissions:

We encourage you to contribute and help shape the conference through submissions. For the technical research track, we invite high quality submissions of papers describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Energy and Environmental Engineering & Management.

**KEY DATES**

- July 30, 2014 Abstract submission deadline
- August 15, 2014 Paper submission deadline
- August 31, 2014 Last Day of Early bird registration
- September 30, 2014 Last Day of Normal registration

**ABSTRACTS SUBMISSION**

Interested authors are requested to submit extended abstracts of their proposed papers. Abstract can be sent to conference email ID: eesd14.secretary@faculty.muet.edu.pk

The deadline for abstract submission is 30 July, 2014. Abstract will be peer reviewed and communicated to authors within the 15 days of the abstract submission.

**CONTENTS**

The abstract should provide a brief summary of the research including: Paper title, name of all authors, complete postal address, and email address of the corresponding author. Full paper should contain introduction, objectives, methods, results and conclusions. Case studies with novel approaches are especially desired.
