6th International Conference on Energy, Environment, and Sustainable Development

January, 17-19, 2022 | MUET, Jamshoro, PK

Energy and Environmental Engineering Research Group (EEERG) of Mehran University of Engineering and Technology (MUET) organizes the 6th International Conference on Energy, Environment, and Sustainable Development 2022 (EESD2022) scheduled to be held from January 17 to 19, 2022. The conference aims to provide a common platform for researchers, engineers, scientists and academicians as well as industrial professionals from all over the world to present their research contribution and development activities in the field of Energy, Environment, and Sustainable Development. EESD2022 will provide opportunities for the delegates to exchange new ideas and share their valuable experiences.

CALL FOR PAPERS

CONFERENCE THEMES

Topics of interest for submission include, but are not limited to these:

Energy Conversion and Storage	Energy Policy and Governance
Energy Policy and Planning	Renewable and Emerging Technologies
Energy Transmission, Distribution and Utilization	Environmental Pollution & Control
Energy Storage Technologies	Water and Wastewater Treatment
Control and Optimization of Energy Systems	Sustainable Water Emerging Technologies
Smart Energy systems	Clean Water and Sanitation
Hydrogen and Fuel Cells	Low Carbon Technologies
Soft Computing in EESD	Municipal and Industrial Waste Management
Sustainable Infrastructure and Urban Resilient System	Waste to Energy Techniques
Eco-friendly Development Through Belt Road initiatives	Biomass Resource Utilization
Initiative in Energy and Environment Transition through CPEC	Climate Change
Computational Fluid Dynamics	Green Buildings
Power Plant and Internal Combustion Engine	Air Quality Monitoring and Management
Smart Energy Materials	Green Innovation and Entrepreneurship
Electrochemistry	SDG's Initiates in Energy and Environment
Biomaterials
